

Pop Art (Nanobook)

From Andy Warhol to Roy Lichtenstein, the top Pop Art painters come together in this breathtaking compendium. Gathering nearly 200 masterpieces, it features a special introductory chapter on Warhol, plus brief biographies of all the artists and a history of the movement throughout the world. Pop Art captures the playfulness of the style, revealing how its use of imagery taken from the mass media deftly breached the barrier between high and low art. Includes: Andy Warhol * Roy Lichtenstein * Jasper Johns * Robert Rauschenberg * Claes Oldenburg * Jim Dine * Robert Indiana * George Segal * Ed Ruscha * Mel Ramos * Richard Hamilton * Peter Blake * Peter Phillips * David Hockney * Immo Rotella * Mario Schifano
