

Visions Awake

Two thousand years ago, in ancient Ireland, a great evil has inadvertently been freed from its prison. Grace Monroe, a reluctant modern day witch, must embrace her extraordinary gifts and learn to master time travel in order to save the past and preserve the present. With the help of a wizard of the highest order, she must go back in time and conquer the ultimate evil. She has the blossoming love and protection of the warrior Lochlyn, but will it be enough? Having been dishonored by the beast at a young age, Lochlyn is torn between fighting the battle himself or placing his fate and that of his land in the hands of a witch whose powers are not yet fully developed. The survival of an ancient land hangs in the balance and Grace is their only hope.
