

Voices of German Expressionism

Between 1900 and 1933 Expressionist artists created some of the most dramatic and enduring images of the twentieth century. This volume brings together the thoughts and aspirations of the individuals who brought about this revolutionary epoch in the visual arts. It offers readers the opportunity to engage at firsthand with key writings by the most significant artists of the Expressionist era. This is a revised edition of a volume first published in 1970 and long out of print.
