

# Alfred Wedding Music Selected Favorites Transcribed for Guitar Book

Intended for both working guitarists and those who play strictly for the enjoyment of great music, this collection of classical favorites is perfect for any wedding, party, or social gathering. This adaptable edition can be used by a solo guitarist, a guitar duet, or a mixed ensemble with two C instruments, and includes classics such as Mendelssohns Wedding March, Wagners Bridal Chorus, and Pachelbels famous Canon in D. Reproducible treble parts are provided so you can make copies for other instrumentalists to play with you. A section dedicated to music in a wedding service, complete with a chart showing which pieces work best for specific parts of the ceremony, makes this a useful tool for the professional guitarist. Additional familiar classical masterpieces, such as Beethovens Ode to Joy, Bachs Air on the G String, and Faurs Pavan, will provide you with a repertoire of crowdpleasers for any event.
