Asian Exotic Nudes - Amateur Night. Photo series includes: 125 photos. Set 5 of 10 of shooting with this model. Full nude posing in this artistic nude photoshoot of a sexy Asian girl. Included in this book are all the photos you normally don't see from a photoshoot. Usually, when you see photos in the magazines you only see one or a set of 5. Here you will see many more photos from the set with the girls posing a number of different ways. There is little text in the book, it's a photobook pure and simple. Real women. Little or no photoshopping. Erotic nude photography is an intimate relationship between the photographer's vision and the model's interpretation of the photographer's ideas, suggestions and spirit. It is an art form putting the beautiful curves of a naked woman's body on a pedestal. Observe the bodily gestures as well as the facial expressions. Is she being instructed to pose and move mechanically or is she moving pose to pose, following the general instructions of the photographer to give a certain result. **WARNING:** Contains full nudity - uncensored nudes. All photographs professionally photographed with altering styles.
