

## When you wish upon a star

Grammy award-winning singer Judy Collins and illustrator Eric Puybaret, who together created the New York Times best-selling version of *Over the Rainbow*, are collaborating once again to bring a classic song to life. Written by Leigh Harline and Ned Washington in 1940, the Academy Award-winning *When You Wish Upon a Star* is beloved by listeners from 2 to 92 for its sweet hopefulness, poignant melody, and simple yet profound lyrics. No singer can capture the haunting beauty of this classic like Judy Collins, with her clear, pure, and emotionally resonant voice.

Eric Puybaret's captivating art, with its graceful lines, stunning use of color, and strong sense of fantasy, is the perfect complement to Collins' lovely interpretation. Like *Over the Rainbow*, this deluxe picture book features the highest-quality production values, making it a volume to treasure forever.
