

White Riot: Punk Rock and the Politics of Race

The first comprehensive reader on punk and race, from The Clash to Bad Brains. From the Clash to Los Crudos, skinheads to afro-punks, the punk rock movement has been obsessed by race. And yet the connections have never been traced in a comprehensive way. *White Riot* is a definitive study of the subject, collecting first-person writing, lyrics, letters to zines, and analyses of punk history from across the globe. This book brings together writing from leading critics such as Greil Marcus and Dick Hebdige, personal reflections from punk pioneers such as Jimmy Pursey, Darryl Jenifer and Mimi Nguyen, and reports on punk scenes from Toronto to Jakarta.
