

With a Jester of Kindness (The Jester King)

As a peasant boy from a remote valley of Lyonesse, Billy could only dream of the adventures to be found outside his little corner of the kingdom. He believed he would spend his entire life in the Valley of the Yew, never having an adventure, never truly knowing excitement or danger, and never seeing any of the wonders of Lyonesse. That is until the night his destiny caught up with him. Shrouded in a sinister past, it lures Billy to the courts of the highborn. However, the path to unravel the mystery of his life is guarded by malevolent forces and the deadliest court intrigues. To prevail, he will have to learn to trust an unfathomable magic gift and come to grips with the disturbing truth about his place in the world, for his life and the fate of a kingdom hang in the balance.
