

Yorkshire Terriers. Yorkshire Terrier care, costs, feeding, grooming, health and training all included. Yorkshire Terrier Complete Owners Manual.

The Yorkshire Terrier Dog Complete Owners Manual has the answers you need when researching this toy-sized, purebred dog with the big attitude. Learn about this purebred canine that was originally a rat catcher and find out whether or not the feisty Yorkshire Terrier will be the best choice for you and your family. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the Yorkshire Terrier is the breed for you. If you already have a Yorkshire Terrier, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Vital statistics - Before you buy - Choosing the right dog - Health - Daily care - Feeding - House training - Medical care & safety - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.
